ASL Instructors Needed

The Staff Development Office is looking for Deaf Staff members who have had some Bi/Bi training and are willing to volunteer to teach ASL classes for support staff. Right now the office has three volunteers to teach ASL classes and approximately 100 staffers who need the classes. More teachers are urgently needed. Please support this important part of implementing ISD's philosophy by volunteering to teach a class if you are qualified. Call Mary Alice Moon in the Staff Development Office -- classes will hopefully begin by the second week in March, so call now!!

Smith's Blitz Continues

ISD's Michael Smith continues his scoring blitz - 40 points (ISD vs Heritage) and 48 points (ISD vs Bethesda), which raised his per-game average to 38, nearly six points more than any other player in the state! Michael was featured in a front page article on the February 18 edition of the *Indianapolis News*, (with color photos). Copies of the paper may be seen in Alumni Hall Library.

ISD Cares!

The students in Mr. Frenchik and Mrs. Keller's Instructional Enrichment class -- Adam Gouvan, Mindy Schmidt, and Josh Powers -- sold donuts on February 8 and 15 to raise money to provide relief for Deaf and hard-of-hearing victims of the January 17 earthquake in Los Angeles. After advertising all over campus and working the sales, they raised $75, which was sent to GLAD (*the Greater Los Angeles Council on Deafness*).

TTY Donation

The ISD Community appreciates the generous donation of a TTY by the *Charles Schwab Co.* Schwab representative Dave Simon presented the TTY to Special Assistant to the Superintendent George Stailey on January 27, with the request that it be used in the Student Residence Halls. The TTY has been given to the Student Life Center.

Whoops

Due to scheduling conflicts, I. King Jordan did not visit ISD on February 23 as was announced in last week's CB. The Gallaudet University President will come to ISD soon -- further developments will be announced through the CB.

PAH Day - March 8 - DPN Week 3/7 - 3/11

Thought for the Week:

"We must have a place where children can have a whole group of adults they can trust."

Special Ed Grants May Bring Macs to ISD

ISD Computer Specialist, Dave Tester has been working with Butler University's Matt Maurer and Marty Myers for nearly a year in pursuit of Federal Special Education grants to enhance ISD's educational programs.

Tester has collected information about ISD which, along with data supplied by the Butler team, justifies the grant applications. Two different grants are being sought.

The first grant proposes a two year research study to evaluate elementary students learning vocabulary using CD-ROMs with an ASL signer and highlighted vocabulary. This would be contrasted with more traditional approaches in literacy building to determine which method is best suited for Deaf children to learn and have better vocabulary retention. Three top-of-the-line Macs with all the necessary software and hardware are included. When the research is done, the K-5 department would keep this equipment for their future educational purposes. The grant value is close to $100,000.

The second grant is a three year plan that will involve all of ISD's educational departments and the residence halls. This project will cover staff training, computer equipment, and software collections. Each classroom will have two Macintoshs, one with a modem and printer. Each department will also receive a PowerBook with modem (notebook PC) and a computer lab of 5 Macintoshs with CD-ROM, keyboard, laser video disk player, color video monitors, computer table with casters, Laser Writer Select, scanner, and Video Spigot. In addition, two large Macs to act as a file server and a bulletin board/mail server, and six for the residence halls are included in the proposal. The grant value of the three year project will total $750,000.

Tester and Superintendent Laird emphasize the fact that there is no guarantee ISD will win either of these grants -- competition for the limited funds available is fierce. Computer Specialist Tester explained, "We hope, with Butler University's highly skilled grant writers supporting our efforts, that the school will receive these grants and be able to modernize our resources to meet the current and future needs of our students."

Student Employee *of the Week*

This week's Student Employee of the Week is **Deepak Gothi**. Deepak works at *Eli Lilly & Company's* Corporate Center in downtown Indianapolis. He began his job in early October.

Deepak does biological testing. He says he really likes the work, and has been doing a great job, according to both the supervisors he's had. His first boss retired a few weeks after he started working there, and he was invited to her retirement dinner (in a coat and tie!).

Deepak, who lives in Carmel, is a senior this year. He had planed to attend Ball State University and major in Architecture, but has enjoyed his job so much he is considering applying to NTID to study Biological Science.

ISD wishes Deepak the best of luck and knows he will succeed in whatever field he chooses.

K - 5 teacher Amy Hackett and husband Ed are the proud parents of Taylor Edward Joseph Hackett, born February 15. At birth, Taylor weighed 7 lbs, and was 19 1/2" tall.

ISD Audiologist Cheryl Whiteman and husband David have announced the birth of Logan Whiteman - February 19, 7 lbs. 3 oz.

Elizabeth Foster to Retire

Long-time ISD teacher Elizabeth Foster has announced her intention to retire at the end of this school year. Ms. Foster's career as an educator spans thirty-one years. She began teaching in her native England and came to the US with the intention of staying a couple of years!

Superintendent Laird said, "I am glad that you decided to stay. Your can-do attitude has been marvelous through the years. Our best wishes go with you -- enjoy life to its fullest!"

Staff Development News

Storytelling in ASL

This two-day seminar is designed for individuals who want to develop skills in narration and storytelling in ASL. Participants will analyze a variety of short stories and determine ways to communicate ideas and meaning in ASL. The focus will be on ASL discourse form and semantics to enable participants to increase their ability to use classifiers, role-taking, and spatialization, and generate creative and cohesive messages. Patrick Graybill and Bill Ennis are the instructors.

This workshop will take place May 21 - 22 at ISD (cost - $95). If twelve or more ISD staffers register the school receives a 20% discount. If interested in this workshop, please contact the Staff Development office as soon as possible.

Note: This seminar is conducted in ASL ONLY.

Environmental Workshops

Two days of workshops will be offered, with multiple sessions each day. Participants may attend either or both days, and choose two sessions per day. Sessions offered are listed below:

April 27

Project Learning Tree
Relating the Frontier Experience to Our Time
Cave Paintings - The World's First Art Gallery
A Global Seed Safari
Why Teach Outdoors?
Song, Sign & Story - Share the Harmony

April 28

Take a WILD Hike
American Indian Culture
Recycling
Riparian Habitat
Indiana Wildflowers
International Agri-Awareness

These workshops, offered in the hills of Brown County at Gallahue Girl Scout Camp, provide "hands-on" activities and the latest supplementary curriculum materials in environmental education. Registration is $18 per day (early bird registration) and $25 (late registration). This includes coffee, tea, and rolls for breakfast, box lunch, morning and afternoon snack break, and curriculum materials to take back to the classroom. Class sizes are limited -- register early.

Toward 2000: Approaches to Children with Hearing Loss

This two-day conference is sponsored by the IU School of Medicine and HEAR Indiana. It will be held at University Place Conference Center March 18 & 19. Registration is $50 per day.

Replacing Preschooler's Socially Unacceptable Behavior with Socially Appropriate Alternatives: Assessment and Intervention Strategies

This workshop will be held Friday, March 25 at the Holiday Inn - North. Registration is $25 for professionals, $15 for parents. Registration deadline --March 8.

Diagnostic Services

The next opportunity for ISD staff to find out their ASL strengths and weaknesses is Friday, March 4. Everyone who has gone through the assessment says, " Why did I wait so long? It was a neat experience." Sign up now through the Staff Development Office.

Other Workshops:

Managing Negativity in the Workplace

Building Better Relationships with People

For more information on any workshop listed in the Campus Bulletin see the bulletin board outside Alumni Hall #223 or contact Mary Alice Moon, Coordinator of Staff Development

FSS Briefing

Family and Student Services staff have divided into sub-committees to accomplish high priority tasks. This is all part of the transitional process to achieve a BiBi educational and residential setting. Subcommittees currently meeting are:

Cochlear Implant Study

The purpose of this committee is to collect information regarding cochlear implants. This information, along with information about the cultural view for Deaf children, can be shared with parents and professionals.

On December 10, 1993, several staff members, along with Superintendent Laird, met with Dr. Miyamoto, and other staff members from Riley Hospital's, Speech and Audiology Department. The purpose of the meeting was to share information between ISD and Riley. All participants stated that the meeting was beneficial. ISD hopes to keep the lines of communication open.

The committee will continue to meet regularly. Please feel free to contact any of the members for more information.

Terri Motter
Cindy Lawrence
Sheryl Whiteman

Deaf and Hearing Support Group

Deaf and Hearing members meet every week to share their feelings and recent experiences. They provide feedback and support in order to work together in a bilingual/bicultural environment. They focus on behaviors, attitudes and issues related to personal growth and school unity. Please feel free to contact any member for information about setting up a voluntary support group. The following people are involved:

Diane Battiste
Mike McGeath
Chuck Daube
Louise Fitzpatrick
Max Gallimore
David Geeslin
Cindy Harris
Diane Hazel
Cindy Lawrence
Jodee Crace

FSS Public Relations Committee

The committee has agreed to work on the following projects. Additional goals will be added after these projects have been completed.

**Committee & VIC to produce new brochures.*

**Improve the image of case conferences and waiting room located in FSS*

**Install a built-in TV in FSS family waiting room*

**Brief videotape about ISD.*

**Videotape of ISD with Bi-Bi information for recruiting purposes.*

If interested in helping make these projects happen, please feel free to call one of the committee members.
